Goodwill Industries of Southwest Oklahoma and North Texas was able to surpass our goals of "helping people with disabilities and disadvantages in achieving their maximum independence" because of the wonderful people in our communities.

We would never have been able to accomplish these feats without your generous donations. A simple gesture of your loose change into our little donation cubes, and your donations of gently used clothing and other items allowed us to serve over 4500 people in our communities.

I would like to share some of our accomplishments because of your support: our Adult and Youth Day Services displayed an Art Exhibit at the Leslie Powell Art Gallery (a local bank, City National Bank, has one of our paintings hanging in the main lobby of their newest branch); our VITA site served more people than any other VITA site (over 1,200 people equaled savings in tax preparation fees of approx. $400,000 and $1,657,433 in returns); we opened another Career Development Center; and we served almost twice the amount of people as last year.

Our clients and employees of our numerous programs: Retail, Adult and Youth Day Services, Workforce Development, Housing for the Elderly and Disabled, and Support Services want to say:

THANK YOU!!!
